

Zhehao Mao

1915 Lerner Hall • 2920 Broadway • New York, NY 10027
(843) 819-9406 • zm2169@columbia.edu

Education

Columbia University, School of Engineering and Applied Sciences, New York, NY

Computer Engineering, B.S.

Expected Graduation: May 2014

GPA: 4.1340/4.0

Relevant Coursework: Object-Oriented Design, Advanced Programming, Introduction to Electrical Engineering

Academic Magnet High School, North Charleston, SC

Graduated June 2010

Weighted GPA: 5.19/4.0

Technical Skills

Programming Languages:

Python, C, C++, Java, Perl, PHP, Bash, Javascript

Operating Systems:

Ubuntu, Debian, ArchLinux, CentOS, Windows, Android

Server Software:

Apache, Nginx, MySQL, MongoDB, Redis, OpenSSH, ProFTPD

Development Tools:

Gedit, Emacs, Vim, Git, Mercurial, Make, Eclipse, Valgrind, GDB, GCC

Frameworks and Libraries:

Django, Web.py, Flask, GTKmm, jQuery

Lab Equipment

Digital Multimeter, Breadboard, Oscilloscope, Function Generator, Soldering Iron

Work Experience

Science Applications International Corporation

Software Engineering Intern

June 2011 - present

- Analyzed data from tests of direction-finding radio antennae.
- Worked on setting up supercomputing cluster for electromagnetic simulations.

Columbia Spectator, New York, NY

Web Developer

January 2011 – present

- Working on redesign for the website of the Eye, the Spectator's weekly magazine
- Mined data for housing calculator application for the Shaft, a Spectator-sponsored blog covering the undergraduate housing application process at Columbia.

Center for Integrated Science and Engineering, Columbia University, New York, NY
Computer Assistant (Class III), September 2010 - May 2011

- Maintained the CISE website (<http://cise.columbia.edu>).
- Redesigned the website to make better use of PHP and MySQL
- Trained other staff members to maintain website

CommIT Enterprises, Charleston, SC

Software Development Intern,

June-August 2009

- Worked on developing application for Android mobile phone operating system.
- Gained experience in management of relational databases.
- Gave project presentation to SPAWAR representatives.

Languages

Mandarin Chinese (conversationally fluent)

Spanish (proficient at reading and writing)

Leadership

Executive Board member of Application Development Initiative

Member of the Association for Computing Machinery

Honors

Third place at College of Charleston ACM Programming Competition 2010

First place in Physics Brainstorm at College of Charleston Math Meet 2010

First place in the molecular biology division of the research paper competition at the SC Junior Academy of Sciences Annual Meeting 2010
